## DISCOUNTS:

- **Member Rebate (\$25):** This rebate is available to FAST's individual members and to employees of FAST's institutional members.
- **Sponsored registrations / Special cases:** A small number of sponsored registrations will be available. If the regular registration rates are above the person's ability to pay, he/she may petition for sponsorship. FAST and ISE will also assist on funding requests to employers or other entities.
- **Included:** Your registration includes participation in the forum, lunch, coffee breaks and other activities during the forum. All recipients will also receive a copy of Jeffrey Hollander's new book: *The Responsibility Revolution: How the Next Generation of Businesses Will Win* (Hollander is Cofounder & Chairman of Seventh Generation)
- **Not Included:** The registration fee does not include travel or accommodations. Please visit the forum website for hotels and B&Bs in the area.
- **Free Accommodations:** A small number of rooms may be available in private homes, such as with Fulbright alumni in the area. For information on free accommodations, please send an email to [info@FulbrightAcademy.org](mailto:info@FulbrightAcademy.org).
- **Advance Registration Deadline:** The deadline for advance registrations is March 15, 2010. Rates will increase by \$50 after that date.

## NOTICES / POLICIES:

- **Cancellations:** Those who cancel their registration on or before March 15 will be eligible for a full refund. Those who cancel on or before April 1 will be eligible for a refund minus a \$75 administrative fee. No refunds will be issued for cancellations received after that date. Cancellation requests must be submitted to FAST in writing. If the forum must be postponed or moved due to natural disaster or a terrorist or related incident, partial refunds may be issued. Hotels will have their own cancellation policy for your accommodations.
- **Accidents/Injury:** By registering for the conference, you agree to waive, discharge claims and release from liability Fairleigh Dickinson University and the Fulbright Academy, Inc., its officers, directors, employees, agents and leaders from any and all liability on account of, or in any way resulting from, injuries or damages. In registering for the conference, you understand and intend that this assumption of risk and release is binding upon your heirs, executors, administrators and assigns, and includes any accompanying minors.
- **Documentary:** FAST and FDU-ISE may collect video footage, photographs and other material during the conference for use in a documentary and/or for other outreach efforts. In registering for the conference, you give FAST and FDU-ISE permission to use this material.

**The Fulbright Academy of Science & Technology (FAST)** is an independent organization committed to improving the state of the world by energizing communities of Fulbright alumni. Based in Maine and operating worldwide, FAST enables the exploration of the issues, trends and technologies, and empowers the alumni to tackle critical problems in their sector, their community or their country. FAST is not affiliated with the Fulbright Exchange Program, US Department of State, or the US Fulbright Association. In addition to hosting conferences and forums, FAST also provides customized services to members. Members come from all scientific disciplines (including social sciences), and from the corporate, academic, research, NGO and governmental communities.

**The Institute for Sustainable Enterprise (ISE)** is based at the Madison, NJ campus of Fairleigh Dickinson University, the largest private university in New Jersey. ISE's mission is to bring people together to learn how to live and manage sustainably - thinking and acting in ways that simultaneously take social, environmental, and economic factors into consideration from both a short and long-term perspective. Located 30 minutes west of New York City, ISE educates current and future leaders of business, government, nonprofit, and educational institutions about managing sustainably by focusing on products, processes, and services that add value to the organizations and are beneficial to people and the planet. Its strengths are its multi-disciplinary approach, its network of academics, executives, consultants and NGO representatives, and its ability to create collaborative dialogue about solutions to complex sustainability issues.
